Wisconsin Line Card

Aluma-Form
alumaform.com

Overhead distribution materials including cutouts, switches, crossarms, mounts, brackets, insulators, platforms, & hardware

Hendrix Aerial Cable Systems
marmonutility.com

Covered Conductor - spacer cable & tree wire systems for increased liability, also insulated tap, tie, and ground wire

IMCORP
imcorp.com

Power cable assessment services for medium and high voltage cables using factory grade partial discharge technology

McWane Poles
mcwanepoles.com

Ductile Iron Poles for improved reliability and storm hardening, Class 3 to H10, from 30 to 110-ft

NOJA Power
nojapower.com

Automatic Circuit Reclosers, 15-38kV, solid dielectric insulation, vacuum fault interrupters, arc fault venting, stainless steel tank

Patton & Cooke
pattonandcooke.com (south of I-94)

Junction bars, cable transition modules, duct liners, ship-to-shore power connections

Power Connector Specialties

Shearbolt Connectors - range taking splices, lugs, and pin terminals installed with standard hex socket

PolySi Technologies
polysi.com

Electrical lubricants for use on cable accessories including molded rubber elbows, terminations, and splices

Pure Filter Solutions
pfilters.com

Filters to remove contaminants from when pumping water from manholes, vaults, and other de-watering applications

Smart Grid Solutions
smartgridsolutionsinc.com

Faulted circuit indicators for O/H and U/G, electronic, autoranging, LED indication, user selectable reset times

Talon Products
hugtherung.com

High strength cable cleats to secure and contain cables to prevent damage during faults

Travis Pattern & Foundry
pduinc.com (south of I-94)

Substation Connectors for voltages up to 765kV, bolted, compression, and swage connectors and fittings

Uticom
uticom.net

Industry compliant signs, labels, and tags for distribution, substation, transmission, metering, and other applications
