Aluma-Form

aluma-form.com

Cutouts, Disconnect Switches, Arresters, Cluster & Equipment Mounts, Platforms, Fiberglass Cross-arms, Automatics, Insulators, Hardware

Hendrix Aerial Cable Systems

marmonutility.com

15-115kV Covered Conductor - Spacer Cable & Tree Wire Systems for increased reliability, Insulated Tap Wire (#6 - 4/0)

IMCORP

imcorp.com

Power cable reliability assessment services for MV & HV cables; Factory Grade Partial Discharge Technology

Inertia-REPL

inertia-repl.com

Low voltage (600V) & Medium Voltage (4-35kV) Heat-Shrink cable accessories, splices, terminations, re-jacketing sleeves, end caps

McWane Poles

mcwanepoles.com

Ductile Iron Poles, Class 3 to H10, from 30-ft to 110-ft for improved reliability and storm hardening

NOJA Power

nojapower.com

Automatic Circuit Reclosers, 15-38kV, solid-dielectric insulation, vacuum fault interrupters, arc fault venting, stainless steel tank

Patton & Cooke (south of I-94)

pattonandcooke.com

Junction bars, cable transition modules, aircraft warning balls, duct liners, ship to shore power connections

Power Connector Specialties

Shearbolt Connectors - range taking splices, lugs, and pin terminals installed with a standard hex socket

Pure Filter Solutions

pfilters.com

De-watering filters and sediment bags for removing contaminants when pumping water from manholes, vaults, or retention ponds

Smart Grid Solutions

smartgridsolutionsinc.com

Faulted Circuit Indicators for OH & UG, electronic, auto-resetting

Talon Products

hugtherung.com

High strength cable cleats to secure single and multiple cables to trays, hangers, and structures

Travis/PDU (south of I-94)

pduinc.com

Substation Connectors, Couplers, Bus Supports & Ground Clamps

Uticom

uticom.net

Signs, Tags, Markers, Labels, Decals, Plates & Posts – Compliant Graphics for Harsh Environments
