### Northern Illinois Line Card

**Aluma-Form**  
aluma-form.com

Cutouts, Disconnect Switches, Arresters, Cluster & Equipment Mounts, Platforms, Fiberglass Cross-arms, Automatics, Insulators, Hardware

**ERLPhase**  
erlphase.com

Digital fault recorders and protective relays for monitoring and protection of electrical power systems

**Hendrix Aerial Cable Systems**  
marmonutility.com

15-115kV Covered Conductor - Spacer Cable & Tree Wire Systems for increased reliability, Insulated Tap Wire (#6 - 4/0)

**IMCORP**  
imcorp.com

Power cable reliability assessment services for MV & HV cables; Factory Grade Partial Discharge Technology

**Inertia-REPL**  
inertia-repl.com

Low voltage (600V) & Medium Voltage (4-35kV) Heat-Shrink cable accessories, splices, terms, re-jacketing sleeves, end caps

**McWane Poles**  
mcwanepoles.com

Ductile Iron Poles, Class 3 to H10, from 30-ft to 110-ft for improved reliability and storm hardening

**Patton & Cooke**  
pattonandcooke.com

Junction bars, cable transition modules, aircraft warning balls, duct liners, ship to shore power connections

**Power Connector Specialties**

Shearbolt Connectors - range taking splices, lugs, and pin terminals installed with a standard hex socket

**PolySi Technologies Inc**  
polysi.com

Electrical lubricants for use on molded rubber elbows & other cable accessories, and high voltage insulators to prevent corona.

**Pure Filter Solutions**  
pfilters.com

De-watering filters and sediment bags for removing contaminants when pumping water from manholes, vaults, or retention ponds

**Richards Manufacturing**  
richards-mfg.com

200A load-break & 600A dead-break elbows (molded & cold-shrink), integrated solutions, splices, lugs, network protectors

**Smart Grid Solutions**  
smartgridsolutionsinc.com

Faulted Circuit Indicators for overhead & underground applications, electronic, auto-resetting, bright LEDs for easy visual indication.

**Talon Products**  
hugtherung.com

High strength cable cleats to secure single and multiple cables to trays, hangers, and structures

**Travis/PDU**  
pduinc.com

Substation Connectors, Couplers, Bus Supports & Ground Clamps
