Manufacturers Representatives

2155 West Belmont Avenue / Chicago, IL 60618

Northern Illinois Line Card

Aluma-Form

aluma-form.com

Cutouts, Disconnect Switches, Arresters, Cluster & Equipment Mounts, Platforms, Fiberglass Cross-arms, Automatics, Insulators, Hardware

ERLPhase

erlphase.com

Digital fault recorders and protective relays for monitoring and protection of electrical power systems

Hendrix Aerial Cable Systems

marmonutility.com

15-115kV Covered Conductor - Spacer Cable & Tree Wire Systems for increased reliability, Insulated Tap Wire (#6 - 4/0)

IMCORP

imcorp.com

Power cable reliability assessment services for MV & HV cables; Factory Grade Partial Discharge Technology

Inertia-REPL

inertia-repl.com

Low voltage (600V) & Medium Voltage (4-35kV) Heat-Shrink cable accessories, splices, terms, re-jacketing sleeves, end caps

Patton & Cooke

pattonandcooke.com

Junction bars, cable transition modules, aircraft warning balls, duct liners, ship to shore power connections

Power Connector Specialties

Shearbolt Connectors - range taking splices, lugs, and pin terminals installed with a standard hex socket

Pure Filter Solutions

pfilters.com

De-watering filters and sediment bags for removing contaminants when pumping water from manholes, vaults, or retention ponds

Richards Manufacturing

richards-mfg.com

200A load-break & 600A dead-break elbows (molded & cold-shrink), integrated solutions, splices, lugs, network protectors

Smart Grid Solutions

smartgridsolutionsinc.com

Faulted Circuit Indicators for overhead & underground applications, electronic, auto-resetting, bright LEDs for easy visual indication.

Talon Products

hugtherung.com

High strength cable cleats to secure single and multiple cables to trays, hangers, and structures

Travis/PDU

pduinc.com

Substation Connectors, Couplers, Bus Supports & Ground Clamps
