

**Manufacturers Representatives**

2155 West Belmont Avenue / Chicago, IL 60618

**Wisconsin Line Card**

**Contact:** Jeff Gauger (Outside Sales)

**Phone:** (773) 248-5085

**Email:** jeff@powergridproducts.com

**Web:** www.powergridproducts.com

**Aluma-Form**

aluma-form.com

Cutouts, Disconnect Switches, Arresters, Cluster & Equipment Mounts, Platforms, Fiberglass Cross-arms, Automatics, Insulators, Hardware

**ERLPhase**

erlphase.com

Digital fault recorders and protective relays for monitoring and protection of electrical power systems

**Hendrix Aerial Cable Systems**

marmonutility.com

15-115kV Covered Conductor - Spacer Cable & Tree Wire Systems for increased reliability, Insulated Tap Wire (#6 - 4/0)

**IMCORP**

imcorp.com

Power cable reliability assessment services for MV & HV cables; Factory Grade Partial Discharge Technology

**Inertia-REPL**

inertia-repl.com

Low voltage (600V) & Medium Voltage (4-35kV) Heat-Shrink cable accessories, splices, terminations, re-jacketing sleeves, end caps

**NOJA Power**

nojapower.com

Automatic Circuit Reclosers, 15-38kV, solid-dielectric insulation, vacuum fault interrupters, arc fault venting, stainless steel tank

**Patton & Cooke** (south of I-94)

pattonandcooke.com

Junction bars, cable transition modules, aircraft warning balls, duct liners, ship to shore power connections

**Power Connector Specialties**

Shearbolt Connectors - range taking splices, lugs, and pin terminals installed with a standard hex socket

**Pure Filter Solutions**

pfilters.com

De-watering filters and sediment bags for removing contaminants when pumping water from manholes, vaults, or retention ponds

**Smart Grid Solutions**

smartgridsolutionsinc.com

Faulted Circuit Indicators for OH & UG, electronic, auto-resetting

**Talon Products**

hugtherung.com

High strength cable cleats to secure single and multiple cables to trays, hangers, and structures

**Travis/PDU** (south of I-94)

pduinc.com

Substation Connectors, Couplers, Bus Supports & Ground Clamps
